

Impact your child's tomorrow...

Support the Branchburg Education Foundation for the 2017-2018 School Year!

Some of your child's most memorable school moments are made possible by the Branchburg Education Foundation. The BEF is a volunteer organization that funds great educational programming for students in the Branchburg School District. These programs have become important and expected parts of the school year.

Donate or volunteer today and support great BEF programs including:

- Author's Day : students meet and interact with children's authors
- Born to Shine: multimedia motivational assembly for Stony Brook and Wharton
- Collaboration and confidence building at Fairview Lakes YMCA for 6th graders
- Stony Brook's Memorial Day celebration

...and much more! Over \$500,000 in grants since our inception over 20 years ago.

These special programs are not covered by traditional school funding – the BEF relies entirely on donations from parents and local businesses to fund these programs. Without your donations, they would not happen! All amounts are welcome. Donate \$20, or be a superstar and join the Power of 100 – be recognized as one of 100 Branchburg families donating \$100 or more to meet a goal of \$10,000.

Have time or talent to share? Volunteer with the BEF and be a part of bringing these great programs to our schools!

Visit us at www.branchburgeducationfoundation.org , or return the form below, to make your donation. The BEF is a 501(c)3; donations are tax deductible.

Please make checks payable to the Branchburg Education Foundation, and return this form and your donation to your child's homeroom teacher in an envelope labeled BEF.

Yes - I'm a supporter! Please accept my donation of: \$_____ .

Add me to the "Power of 100" (donation of \$100 or more): \$_____ .
